TERMS AND CONDITIONS OF SYMA-SYSTEM GmbH FOR SYSTEM TECHNOLOGY AND FAIR CONSTRUCTIONS

1. GENERAL TERMS OF BUSINESS FOR SYSTEM TECHNOLOGY AND THE CONSTRUCTION OF EXHIBITION STANDS

1.1. Scope

On all business relations of SYMA-SYSTEM GmbH, Industriestrasse 3 2120 Walkersdorf, FN 60874x, "SYMA", only the following terms apply. Any deviating provisions or general terms of business only apply if they have been agreed upon in writing. Customers' general terms of business are not accepted.

1.2. Orders and offers

All offers are non-binding unless they are expressly marked as binding and will remain valid for a period of 30 days as of the offer's date. Costs estimates are chargeable.

1.3. Force majeure, unforeseen events

Events of force majeure (political turmoil, fire, environmental disasters, etc.) or other unforeseen events entitle SYMA to extend the term of delivery (section 2.5) by the duration of the event or to withdraw from the contract. In any case, SYMA is entitled to provide alternative solutions due to such events. Claims for damages are excluded.

1.4. Condition of goods

No warranty is assumed for colourfastness as well as specific weights and measurements unless a specific feature is expressly agreed in writing. Customary deviations are permitted. Fluctuations in the material composition as well as in pore size and colour deviations are reserved as customary in this Industry sector.

1.5. Labelling/ Copyright Protection

Drafts, layouts, illustrations, drawings, designs and know-how are intellectual property of SYMA and belong to a protected construction-system. SYMA may ask for return of such construction documents at any given time. Subject to the written revocation of the customer, SYMA is entitled to refer to an existing or former business relationship (reference) with a customer on SYMA's construction documents, on their own advertising media, in particular on their internet website with names and company logos.

1.6. Compensation and liability

SYMA is in all considered cases, with the exception of personal injuries, solely obligated to compensate in cases of intent or gross negligence. The liability is time-barred within 6 months from the date of knowledge of the damage and injuring party. The liability is limited to the order value. SYMA is not liable for collateral damages or loss of profit.

1.7. Customers' duty of cooperation

The customer is obliged to provide SYMA with all information and documents required to render the agreed performance. Additional costs due to subsequent amendments, incomplete or incorrect information have to be borne by the customer. The customer shall ensure that the documents provided to SYMA are free of any third party rights and shall indemnify and hold SYMA harmless in this regard.

1.8. Right of withdrawal SYMA

SYMA reserves the right to demand reasonable security or advanced payments, if the customer is (i) in default with payments already due for more than 14 days or (ii) there are reasonable doubts as to the creditworthiness of the customer, in particular when there has been an out-of-court restructuring or when insolvency or collection proceedings are imminent, applied for, opened or rejected due to lack of assets.

1.9. Applicable Law / Place of performance and jurisdiction

Any agreement shall be governed by the laws of Austria, without reference to or application of any conflict of law rules and excluding the UN sales law (*UN-Kaufrecht*). The place of performance/delivery is the corporate seat of SYMA in Walkersdorf. The competent court for civil matters at SYMA's corporate seat shall have exclusive jurisdiction to settle any disputes.

2.2. Terms of payment

A payment on account in the amount of 50% of the order value must be made within 10 days from order placement. At initial orders, the remaining amount has to be paid no later than by goods acceptance, and is otherwise due within 14 days from the date of invoicing with a 2% cash discount or within 30 days net. For orders with an order value of less than EUR 300,00 the full amount shall be paid at delivery. Bank expenses (transfer, cheque, etc.) shall be borne by the customer.

2.3. Small quantities

A processing fee of EUR 14.00 will be charged for orders up to an order value of EUR 75.00.

2.5. Delivery period, delivery date

The agreed delivery period runs from the receipt of the payment on account (sections 2.2 and 3.2); for an order value below EUR 300.00 the agreed delivery period begins with the date of the order confirmation. Unless explicitly stated, delivery dates shall be non-binding and understood as the expected date of delivery. In such cases, the withdrawal from the contract due to delay in delivery shall only be possible after announcement of at least a two-week grace period by means of a registered mail. The observance of the delivery period assumes required cooperation of the customer. The customer has to ensure that necessary information or services, also from third parties, are provided in time.

2.6. Packaging, shipping and transfer of risk

SYMA only ships goods at the cost and risk of the customer. Damages in connection with the transport must be directed to the carrier immediately upon receipt of the delivery by the customer. Damages shall then be confirmed by the carrier through the establishment of the facts.

2.7. Defects, warranty and compensation

Notifications of defects shall be reported immediately but in any case within 3 days from the delivery of goods. SYMA must be informed immediately in writing of any defects discovered that were unable to be detected even by careful inspection within this period, but no later than one month after delivery of goods. SYMA is entitled to determine the warranty remedies by itself. § 924 Austrian General Civil Act ("*Allgemeines Bürgerliches Gesetzbuch*") does not apply. For compensation claims section 1.6 applies.

2.8. Withdrawal by the customer, changes to orders

In case of subsequent modifications to the order by the customer, additional costs will be charged.

2.9. Redemption of goods

Goods may only be returned in goodwill with prior written consent and subject to a value reduction which will be determined by SYMA. Credit notes are only issued after the verified goods' receipt. Returns shall be carried out at the customer's expense and risk and have to be insured.

3. EXHIBITION STANDS—RENTAL

3.1. Prices

Costs for subsequent project changes are charged at cost. For orders placed only 15 days prior to the start of the event, a "last-minute" surcharge of 30% will be charged.

3.2. Terms of payment

A payment on account in the amount of 50% of the order value must be made within 10 days from order placement. At initial orders, the remaining amount has to be paid not later than by goods acceptance, and is otherwise due within 10 days from the date of invoicing. For orders with an order value of less than EUR 300.00 the full amount shall be paid at delivery. Bank expenses (transfer, cheque, etc.) shall be borne by the customer. Any processing and modification of rented goods is prohibited. Any use deviating from the contract is prohibited. The customer is entitled to use the rented goods solely with care and for its own purposes. A sublease to third parties is not permitted. The rented goods are to be kept free of third-party rights. The customer bears all costs incurred for the cancellation of actions by third-parties.

3.5. Defects and warranty

3.8. Return of rented goods

The rental ends with the end of the fair. The customer is obligated to return the rented goods to SYMA as agreed immediately after the end of the fair.
